Our staff is committed to providing you and your child with the best possible experience. Together we can ensure a safe and healthy environment for children between school and home.

COMMUNICATION

Communication is critical and we need to know of any major life circumstances your child may be experiencing, as well as, problems or concerns that may arise. This allows us to best understand the needs of your child, as well as, to address any problems that may arise. Please keep the teachers informed and don't hesitate to bring issues forward to the Education Director for resolution. You may also contact the Executive Director, Beth-Ann Stewart.

o Current Health Assessment Record including immunizations stating that your child is in good health and free from communicable diseases. Each child entering the center must have an updated physical form signed and dated by his/her pediatrician, which includes the child's date of birth. All children must have their physicals updated annually and immunization records must be maintained per State of Connecticut requirements. This form must remain current for the school year.

o Appropriate medication, if necessary, with required paperwork must be given to the Education Director.

o A **non-refundable** deposit of the first month's tuition is required for registration and to secure a space in the program.

o Membership. Tuition-based programs are a members-only opportunity. Membership is required for participation in tuition-based programs. If your child is enrolled in a tuition-based program, he or she must be enrolled in membership auto-renewal for the duration of enrollment.

Please Note:

Any changes in registration can only be authorized by the parent/guardian enrolling the child.

The parent/guardian enrolling the child is also responsible for payment of services rendered.

All tuition-based programs will require enrollment in automatic billing utilizing Credit Card or EFT drafts.

A non-refundable deposit of the first month's tuition is required for registration and to secure a space in the program. Childcare tuition fees are non-refundable.

Payment and Refund Policy: Camp COMO

When registering for camp, only a non-refundable deposit of \$50 is due at the time of registration. The remainder of the balance will be scheduled using the billing method you have chosen on file (credit card or EFT) 14 days before the start of the camp week. Camp payments are non-transferable and cannot be transferred to another week of camp. Additional payments (paying in full), are non-refundable and cannot be used as credit toward other weeks or programming. Schedule changes are filled as availability permits.

COVID-19:

The COMO Team follows stringent cleaning and sanitizing procedures as outlined by NAEYC and the CDC so as to reduce the exposure to COVID-19 to safeguard both the children in our care, and our team. This is our commitment to you during these challenging times. In turn, we ask that families adhere to CDC recommendations in their everyday activities in conjunction with the daily efforts of the COMO Team. Despite all our best efforts, there may be times when COMO childcare is required to close to follow quarantine guidelines set forth by Ledge Light Health District and the Office of Early Childhood. When childcare is closed and in quarantine, the COMO's staffing and operational expenses do not change. In an effort to avert a fiscal crisis, as well as, continue to hold a child's space in the program while also providing compensation to our teachers and staff, when the COMO is required to close childcare for quarantine, tuition will continue to be applied per our billing cycle and there will be no reimbursement for time missed.

In an effort to make child care accessible to all, a 10% sibling discount is available. Contact the COMO office at 860-535-2476 for more information.

PICK UP AND DROP OFF POLICY

If you are continually late picking up your child, the COMO reserves the right to request that another person on the pick-up list pick up your child.

Parents must call or e-mail the COMO in advance if someone on the pick-up list other than a parent is picking up their child. **Only persons listed on your child's pick-up list will be allowed to remove your child from the program.** Staff will request a form of photo identification from persons they are unfamiliar with. COMO employees are not allowed to be on any child's pick-up list. All authorized pick-ups must be added or deleted directly to/from your account profile, before the child can be released from care. Parents must alert COMO to any additions or deletions. If a child has not been picked up within fifteen (15) minutes of our closing time, a staff person will attempt to call the child's parents at all available numbers. If they cannot be reached, the staff person will attempt to call the emergency and alternate people listed on the emergency cards. The police will be called after one hour if parents or other adults specified on the permission to release forms cannot be reached. At that time the child may be released to the police. Two staff members at least 18 years of age or older will remain with the child at all times. Additional charges will accrue for late pickup.

LATE FEES

Children must be picked up promptly from childcare to avoid a late fee. A penalty of \$10 for the first 10 minutes and \$1 for each additional minute by the school clock will be added to your bill if a child is picked up late from the program. The appropriate fee will be assessed and charged to the credit card on file. You may not drop off for before care childcare earlier than 7 am. If you are dropping off for the day any earlier than 9 am it will be assumed that your child is attending before care, in which case the appropriate fee will be assessed and charged to the payment method on file.

Administration of Medication Policy

Administration of Medication Policy

The COMO will administer emergency medications which include prescribed inhalers and premeasured commercially prepared injectable medication (i.e. Epi pens, Auvi-Q, etc.), nonprescription topical medication and EMERGENCY oral medications (i.e. Benadryl). The COMO will not administer ear drops, nose drops/sprays, or eye drops however, parents/guardians are welcome to administer at the COMO.

BEHAVIOR/DISCIPLINE POLICY

The program strives to create a **loving and secure** atmosphere that provides each child with the tools necessary to grow and develop socially, emotionally, intellectually and physically. We believe that every child deserves to feel safe and comfortable in their place of learning. The Discipline Policy lends itself to supporting the development of a child's ability to resolve conflicts and exhibit appropriate behaviors as a response to conflict.

Methods for resolving conflicts are:

- Positive guidance
- Setting clear limits
- Redirection

When disputes arise among children or between a child and teacher, the teacher will encourage a talking out process among those involved. The goal of this talking out process will be to acknowledge feelings and find solutions using children's ideas whenever possible.

A child who may be overly aggressive or is repeatedly destructive of other children's work may be asked to make an activity choice in another area if talking things through has not resulted in better self-control.

Staff will continuously supervise children during disciplinary actions.

...BEHAVIOR/DISCIPLINE POLICY CONTINUED

Staff shall not be abusive, neglectful, or use physical, corporal, humiliating, psychological, threatening or frightening punishment under any circumstances. No child shall be physically restrained unless it is necessary to protect the safety and health of the child, another child, or an adult. Staff should never withhold nor threaten to withhold food as a form of discipline.

If a child's behavior consistently requires one-on-one attention from the teachers and assistant teachers, putting the program in a position of being out of compliance with state-mandated ratios, a parent will be notified and may be asked to come in and speak with the director to discuss the child's continuance in the program.

The program director, in partnership with the Stonington Public Schools, will reach out to special services staff in an effort to resolve the specific behaviors as a means to be as inclusive as possible.

CHILDCARE EXPULSION OF CHILDREN POLICY

The COMO reserves the right to suspend a child's participation in the program temporarily or permanently due to discipline problems. Intentionally causing injury to another child or leaving the staff's supervision will result in temporary suspension. If your child's participation is temporarily suspended, you will continue to be responsible for payment for the originally scheduled days.

CHILD ABUSE AND NEGELCT POLICY AND PROCEDURE...

CHILD ABUSE AND NEGLECT POLICY

All COMO staff are mandated reporters and therefore have a responsibility to prevent child abuse and neglect of any children involved in our center.
