## 2020 Beach Season Updates

### duBois Beach Opening Day: Saturday, May 23!

[duBois Beach](#), weather permitting, will open for weekends starting Memorial Day weekend on Saturday, May 23. Daily, M-F, operating hours will begin Monday, June 22 through Labor Day.

Operational hours: 10 a.m. - 4 p.m. require a season pass or day pass.

We encourage season and day passes to be [purchased online](#) to minimize contact with our gatekeeper.

Due to COVID-19 social distancing mandates, this season patrons will have the option to tally day pass purchases and redeem for a season pass.

[COMO members](#) receive a discount on their season pass purchase.

To maintain social distancing, beach passes will not be held at the gate. Pass holders are required to bring their pass to every visit.

Please note: There will be no refunds issued for season pass purchases. Due to state mandates or possible temporary daily capacity closures, it is possible that you may not have access to the beach to keep all safe.

## duBois Beach Social Distancing Mandates:

For your safety, and that of our staff and larger community, please adhere to the following:

- If you are sick, please do not enter the beach area
- Social distancing of at least 6' while entering, visiting and exiting the beach
- No more than 5 people may gather in a group
- Spacing of 15' or more between beach blankets
- Face coverings must be worn if in proximity (6') to others
- Lifeguards will be monitoring social distancing and have the right to ask those who are not following guidelines to leave the beach area
- To maintain social distancing, once the beach is at capacity, lifeguards have the right to deny further public access to season pass holders and day pass purchases until departing patrons result in more capacity to re-open

Please note, as safety precautions due to COVID-19:

The water spigot will not be operational.

The floating dock will not be installed.

Trash: As always, please be prepared to take out what you take in.
